

# 5<sup>th</sup> INTERNATIONAL PhD SUMMER SCHOOL

16 - 20 August 2021  
ONLINE EVENT

DOCTORAL  
SCHOOL

## Welcome to the 5<sup>th</sup> PhD Summer School!

**Dates:** 16 – 20 August 2021  
**Venue:** virtual event

### **Aim of the International PhD Summer School**

PhD Summer School aims to:

- equip participants with essential skills that are necessary in all fields of science
- provide participants with valuable networking opportunity with participants from other countries
- create and share friendly social environment

**Audience.** 36 doctoral students, pursuing their doctoral researches in Czech Rep., Estonia, Germany, Italy, Latvia, Lithuania, Moldova, the Netherlands, Slovakia, Slovenia, United Kingdom, Ukraine.

**ECTS credits:** 2.0 and a certificate of participation.

### **Prerequisites.**

The language of Summer School is English. In order to participate, doctoral students should have sufficient language skills.

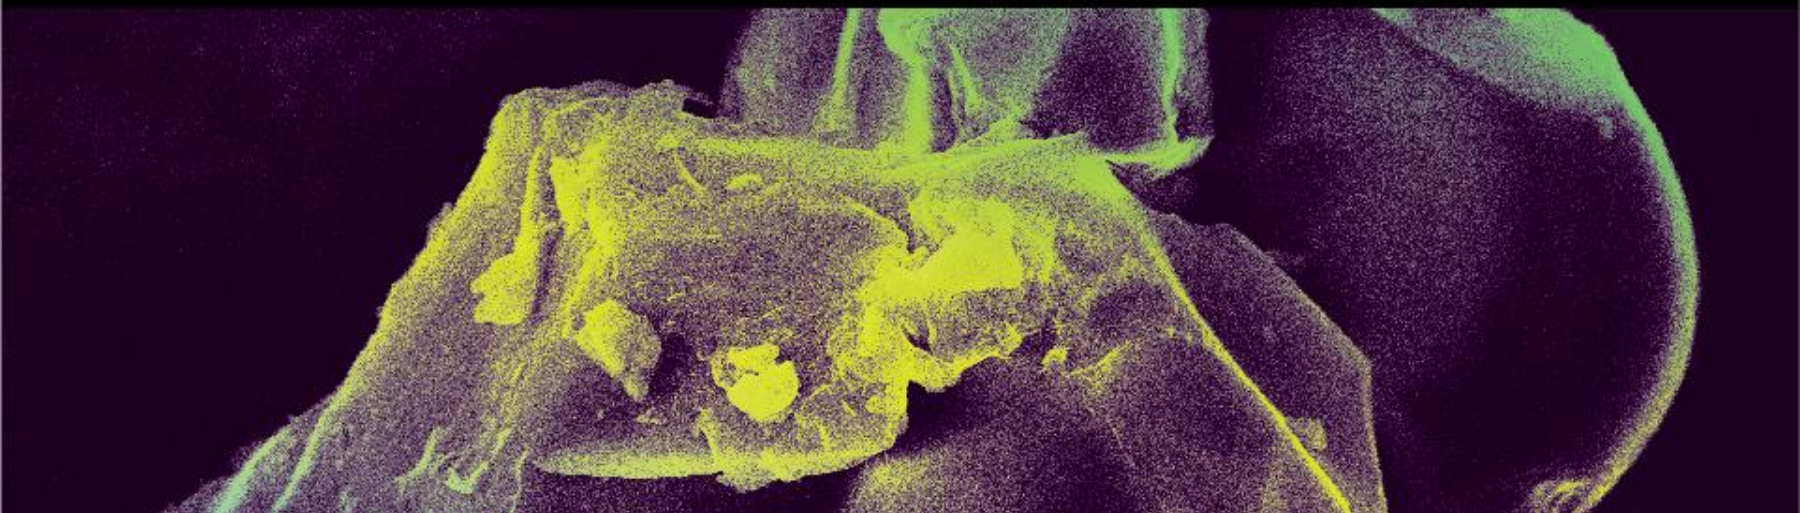

Participant should have a sufficient technical equipment: a computer, a high-speed Internet connection, a newer version of a web browser, and access to common tools and software like word processors, email, etc. Be ready to prepare some homework before the event.

Organizer:

DOCTORAL  
SCHOOL

# 5<sup>th</sup> INTERNATIONAL PhD SUMMER SCHOOL

## Programme

16 August 2021

Registration. Opening and Welcome

Responsibility, interaction, and ethics in research

Hallvard Fossheim  
University of Bergen

Speak your science (Poster session)

Social event

17 August 2021

Scientific writing. Meeting the editor. Do's and Don'ts of getting your paper published

Frank Witlox,  
Ghent University

Social event

18 August 2021

Research data management for PhDs

Nicolas Dintzner,  
Delft University of Technology

19 August 2021

Intellectual property

Domenico Golzio  
European Patent Academy

Social event

20 August 2021

Effective scientific presentation: inspiring your audience

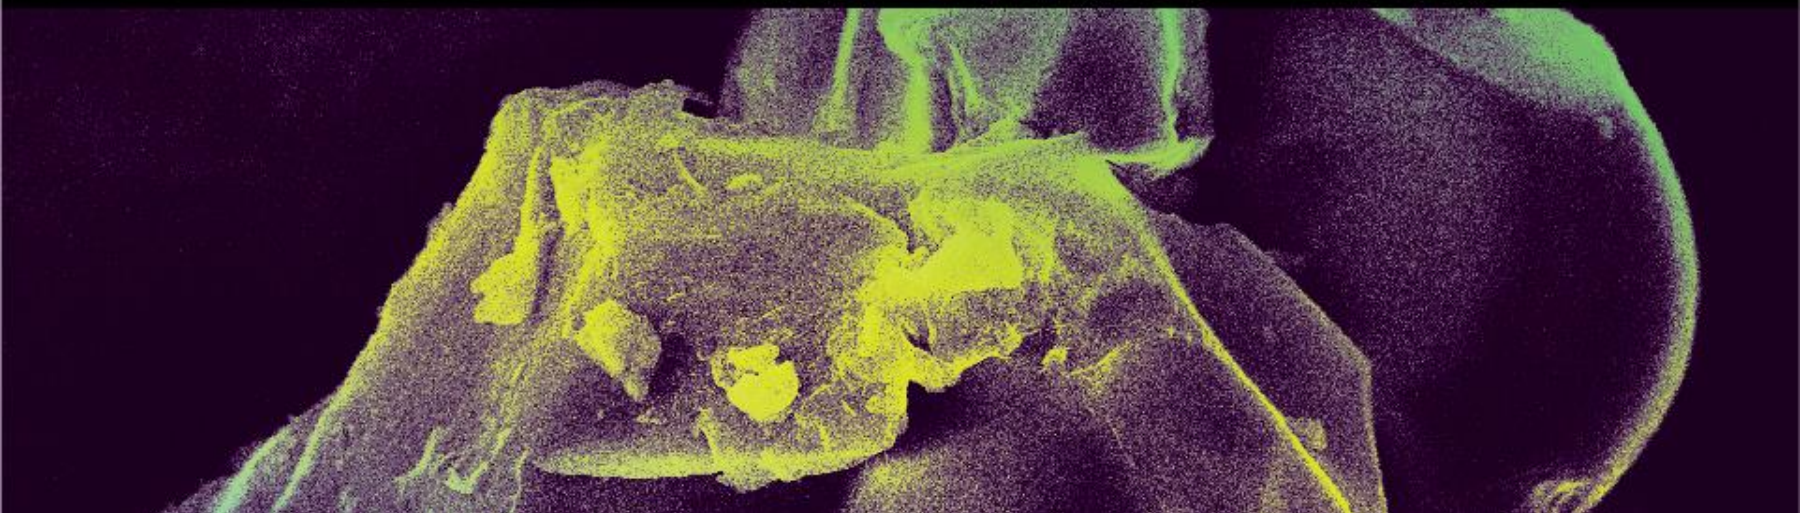

Wim Blokzijl,  
Delft University of Technology

Social event. Farewell.

*Detailed programme with links will be sent to participants by email*

## Lecturers

### **Hallvard Fossheim**

University of Bergen, Norway

H.Fossheim is a Professor of philosophy at the University of Bergen. He has served as Director of NESH at the National Research Ethics Committees of Norway, and has published widely in the history of philosophy and ethics.

### **Nicolas Dintzner**

Delft University of Technology, The Netherlands

Nicolas is currently working as data steward of the Faculty of Technology, Policy, and Management, at the Delft University of Technology. His role is to assist and advise researchers with data-related challenges – from preparation of projects (DMPs mostly) to archival of their research results. Nicolas also participates in training sessions on data management and software development for researchers. Before this, Nicolas worked as a software engineer in the private sector, and continued with a PhD in software engineering (configurable software) at the Delft University of Technology.

### **Wim Blokzijl**

Delft University of Technology, The Netherlands

Wim Blokzijl was born in 1971 in The Netherlands. He studied Dutch Language and Literature and has been lecturing communication skills at Delft University of Technology for over twenty years. He mainly gives presentation and writing skills courses. He also coaches speakers for the yearly Delft TEDx conference.

### **Frank Witlox**

Ghent University, Belgium

Frank Witlox holds a PhD in Urban Planning (Eindhoven University of Technology, promotor Harry Timmermans), a Master's Degree in Applied Economics and a Master's Degree in Maritime Sciences (both University of Antwerp).

Currently, he is a Senior Full Professor of Economic Geography at the Department of Geography of Ghent University (UGent).

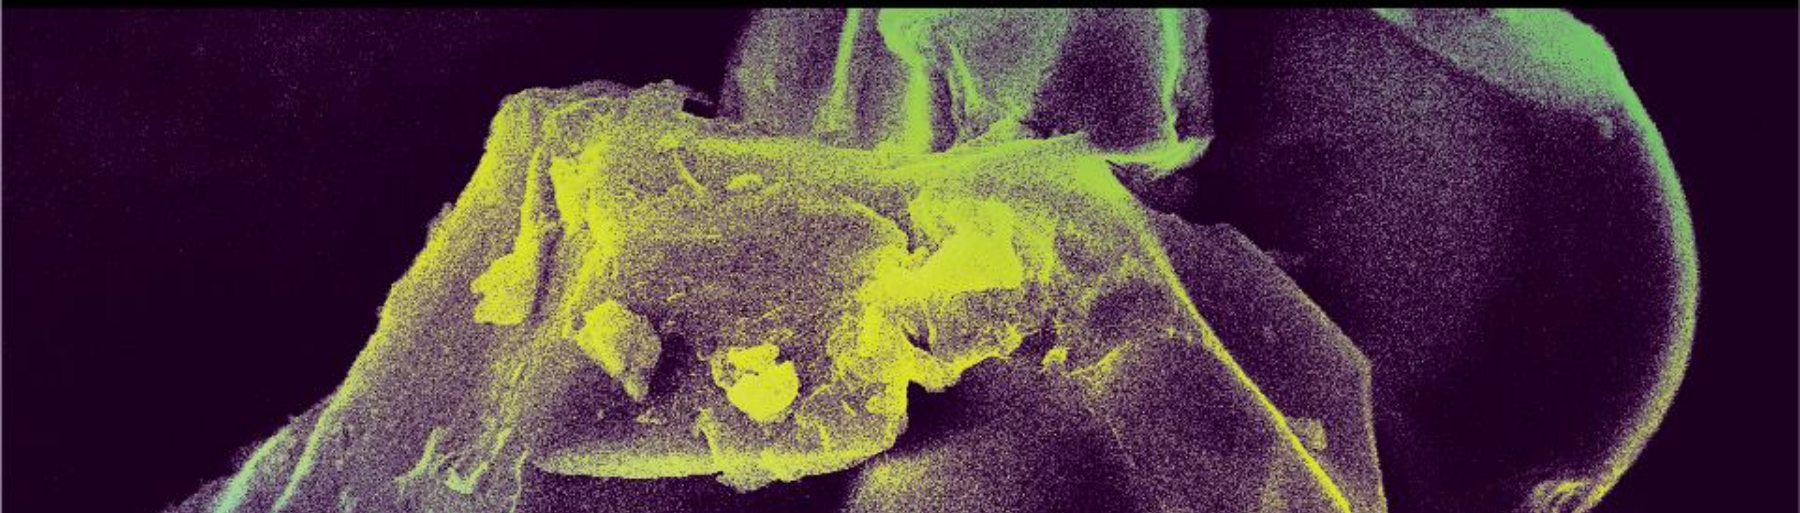

### **Domenico Golzio**

European Patent Academy

Domenico Golzio holds a degree in Physics. After working as electronic engineer in telecom, car and aerospace industries he moved to EPO becoming Patent Examiner in the field of ICT. He has been Director of a Search and Examination Unit, led the Directorate developing Tools for Prior Art Search and Patent Information and currently Director in the CIO/CTO Office. He made research work on various IPR areas like relationship between patent and innovation, patent information, international patent portfolios, comparison between different patent systems.

# 5<sup>th</sup> INTERNATIONAL PhD SUMMER SCHOOL

## Participants of the 5<sup>th</sup> PhD Summer School represent:

Bath Spa University, UK

Czech University of Life Sciences Prague, Czech Rep.

Institute of Measurement Science, Slovak Academy of Sciences, Slovakia

Kaunas University of Technology, Lithuania

Lithuanian Energy Institute, Lithuania

Masaryk University, Czech Rep.

National University of Kyiv-Mohyla Academy (NaUKMA), Ukraine

State University Moldova, Moldova

University of Chemistry and Technology, Prague, Czech Rep.

University of Latvia, Latvia

University of Ljubljana, Slovenia

University of Neuchâtel, Germany

University of Palermo, Italy

University of Tartu, Estonia

University Of Twente, The Netherlands

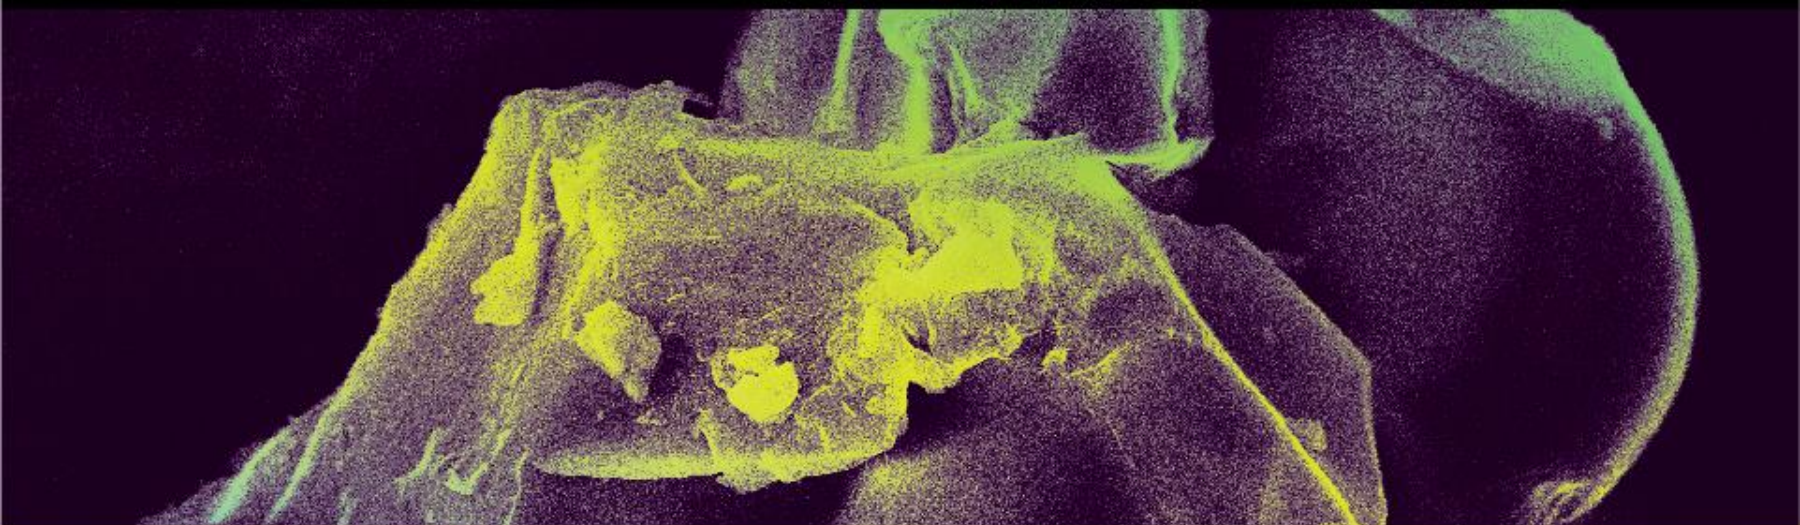

University Uninettuno – Rome, Italy

Vilnius University, Lithuania

Vytaytas Magnus University, Lithuania
